

# Stay and Play

at some of the best golf courses

## South Devon has to offer!

### **The Championship Course - Dartmouth Golf and Country Club**

Voted in Golf Monthly's finest 100 hidden gems in the British Isles, The Championship Course is highly acclaimed. Sweeping fairways, meandering streams, water features and superb undulating greens, all built to USGA Championship specification. The course provides an excellent and enjoyable challenge to golfers of all abilities.

*Please note: A round of golf on "The Championship Course" is included in all South Devon Golf Tour packages.*

### **The Dartmouth Course - Dartmouth Golf and Country Club**

The 2,252 yard, par 33, 9 hole Dartmouth Course offers a more relaxing challenge than The Championship Course. Nevertheless, this course was built and maintained to the same exacting standards as its sister course. The course doubles playing from more challenging white tees as an 18 hole course.

*Please note: Unlimited use of "The Dartmouth Course" is included in all South Devon Golf Tour packages.*

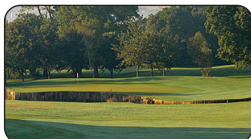

### **Bigbury Golf Club**

Bigbury has been providing a challenge for golfers of all abilities for 85 years. The 18 hole, par 70 golf course is surrounded by stunning views in all directions. The fairways are wide and the greens fast. Club selection is complicated by sea winds and awkwardly placed trees and bunkers.

### **Dainton Park Golf Club**

A fine and varied parkland course with tree lined fairways and water features. Adrian Stiff has created 18 different challenges as with his other notable designs, The Kendleshire and the Players Club near Bristol. Elevated tees offer stunning views over the surrounding countryside, and wide, inviting fairways follow the natural contours of the landscape.

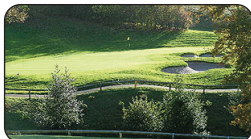

### **Churston Golf Club**

The par 70 parkland course meanders along a long strip of typical downland turf that stretches westward along the cliffs towards Brixham and overlooking Torbay. The ground is boldly undulating in character with no lack of natural features, and the surroundings are richly diverse.

### **China Fleet Country Club**

This Championship Course has stunning views over the River Tamar with a challenging and enjoyable par 72, 18-hole course. Bordered by the River Tamar and the Kingsmill Creek, no matter how your game is going, you cannot help but enjoy the tranquil setting at China Fleet. A real winner with members and visitors alike, China Fleet offers something for golfers of all levels.

### **Dawlish Warren Golf Club**

The only links course in South Devon, 'The Warren' is situated in an internationally renowned wildlife conservation area and bordered by water on three sides. Enjoy an easy walking level course with fantastic sea and Exe Estuary views.

### **Bovey Castle**

Voted within the Top 100 Courses in the UK, The Old Course at Bovey Castle is a challenging and beautiful 18-hole championship golf course. Meandering through the Castle estate, surrounded by idyllic landscape, will challenge any player. Designed to rival its sister courses at Gleneagles and Turnberry, JF Abercromby's creation has been described as an experience of golf never to be forgotten. *Please note: Bovey Castle is only available as part of the Premium Package.*

### **Thurlestone Golf Club - New for 2012**

The course is a mix of links and cliff-top terrain with the latter providing fabulous views with the Avon estuary and Burgh Island being the highlight for most people. Spectacular views may be enjoyed from every hole while providing a challenge to all levels of golfer. The great Peter Allis compared Thurlestone with the famous Pebble Beach.

*Please Note: All visitors are requested to produce a valid handicap certificate but if this is unavailable then please contact the Secretary or Head Professional for further advice.*

# South Devon Golf Tours 2012
